ABOUT ME

I am a passionate and skilled Front-End Developer with a strong foundation in HTML, CSS, JavaScript, and modern frameworks like React and Next.js. With a creative mindset and attention to detail, he specializes in building responsive, user-friendly, and performance-optimized web interfaces. Nitesh is dedicated to continuous learning and staying updated with the latest trends in web development, ensuring that every project he undertakes is both functional and visually engaging. His goal is to craft seamless digital experiences that enhance user interaction and deliver value to businesses.

WORK EXPERIENCE

softmark web Solutions | <https://softmarkwebsolutions.com/>

DEC 2024 – APRIL 2025

Designed and developed responsive websites using HTML, CSS, JavaScript, and Bootstrap, ensuring smooth user experience across all devices. Created visually appealing layouts aligned with brand identity, collaborating closely with content and design teams. Managed and scheduled social media content across platforms like Instagram, Facebook, and LinkedIn to drive user engagement. Monitored analytics and performance metrics to refine strategies and increase reach and follower growth. Supported client branding by maintaining consistent visuals, captions, and audience-targeted content strategies.

Makeup Artist Portfolio | <https://glamflicksbyshweta.com/>

Oct 2024 – Nov 2024

Designed and developed a professional portfolio website for a certified makeup artist. Showcased services, client testimonials, and a dynamic image gallery to highlight bridal and event makeup work. Implemented responsive design using HTML, CSS, JavaScript, and Bootstrap to ensure smooth performance across devices. Collaborated closely with the client to reflect their personal brand and enhance online visibility.

Wardiere Inc – Graphic DesignerSports Platform Website | <https://play4india.com>

Aug 2024 – sep 2024

Developed a web platform that promotes competitive sports across Delhi. Focused on sportsmanship, teamwork, and healthy living. Designed a fully responsive interface for both mobile and desktop users.
