EXPERIENCE

PROJECT

Makeup Artist Portfolio

Year-2024

Designed and developed a professional portfolio website for a certified makeup artist. Showcased services, client testimonials, and a dynamic image gallery to highlight bridal and event makeup work. Implemented responsive design using HTML, CSS, JavaScript, php and Bootstrap to ensure smooth performance across devices. Collaborated closely with the client to reflect their personal brand and enhance online visibility.

FREELANCE PROJECT

Viswakarma Work | <https://vishwakarmawork.com/>

Year -2025

Designed and developed a responsive business website showcasing services, products, and fabrication work. Built using HTML, CSS, JavaScript, PHP, and Bootstrap, with a focus on clear presentation, usability, and improved online visibility.

INTERNSHIP EXPERIENCE

Softmark Web Solutions | softmarkwebsolutions.com

Dec 2024 – May 2025

Developed and maintained responsive and user-friendly websites using HTML, CSS, JavaScript, Bootstrap. Translated UI/UX designs into clean, efficient code while ensuring cross-browser compatibility and performance optimization. Collaborated with designers and backend developers to deliver high-quality web solutions aligned with client requirements. Actively contributed to debugging, feature enhancements, and improving overall user experience.
